

FINE SCALE MODELS FROM THE ORIENT

Golden Gate Depot
231 Market Place Suite 223
San Ramon, CA 94583

GGD 12-1 and 8-1-2 Sleepers in ABS

Scale Accuracy: Full Scale, 20" long heavyweight sleepers were used by many railroads all the way through the steam era. These super detailed sleepers have the complete underbody treatment and highly detailed pullman 3 axle die cast trucks.

Details: Available in your favorite livery, these Sleepers will be a great addition to your layout and collection for highly detailed scale models.

Schedule: These models will arrive in March 2017. Available by reservation, very few will remain once they arrive.

Features: Full Scale 20 inches in length with scale rubber diaphragms, highly detailed die-cast trucks and nickel plated machined wheels. Interiors with figures, overhead anti-flicker LED lighting. Available in 2 Rail or 3 Rail. 054 or Larger Radius Track (3 Rail).

Price: MSRP \$169.95 / EACH CAR
